ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And

if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

P.C. No. 1902.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 29th day of September, 1927.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE
GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by an Order in Council of the 11th February, 1890, P.C. 2065-G, an agreement was entered into with the Province of British Columbia for the administration of mineral lands in the Railway Belt in that Province, under the terms of which the Government of Canada undertook not to make any disposition of minerals in the Railway Belt (except coal) other than by patent in fee-simple of the lands in which such minerals were found, to the intent that the minerals in the said Belt, other than coal, should be administered under the mining laws of the Province; this arrangement was afterwards modified so that the administration of petroleum and natural-gas rights in the Railway Belt remained with the Dominion Government. Under the agreement with the Province, when the recorded owner of a mineral claim has fulfilled the requirements of the "Mineral Act" of British Columbia, application is made by the Province to the Dominion for a grant of the surface rights and base metals:

And whereas an Order in Council was passed on the 20th August, 1925, P.C. 1336, transferring to the Province of British Columbia all undisposed-of base metals, except coal, petroleum, and natural

gas, underlying lands for which the Dominion Government had issued patents, up to and including the date of the last-mentioned Order in Council, in which patents mines and minerals had been reserved (with the exception of lands within Dominion Parks and Forest Reserves and lands granted for right-of-way for the Canadian Pacific and Canadian National Railways):

And whereas the Minister of the Interior reports that on the 18th November, 1926, letters patent were issued to the Westminster Mills, Limited, of New Westminster, in the Province of British Columbia, conveying the surface rights of Fractional Legal Subdivisions 1, 6, 7, and 8 of Section 25, Township 22, east of the Coast meridian, but reserving all mines and minerals to the Crown; and that the Government of the Province of British Columbia has now made application for the transfer of the base metals underlying the "Black Rock" Mineral Claim, being Lot 590, Group 2, New Westminster District, comprising an area of 36.74 acres, 19.4 acres of which is included within the land granted to the Westminster Mills, Limited, on the 18th November, 1926, as above set forth; the remaining 17.34 acres being covered by the waters of Cultus Lake.

The said "Black Rock" Mineral Claim may be more particularly described as follows: "Commencing at a standard post, pits and mound, south nine hundred and sixty-eight feet, more or less, and west sixty-three feet and two-tenths of a foot, more or less, from the iron post and stone mound at the north-east corner of the said south-east quarter-section as shown on the plan of the north-east quarter of the said township, approved and confirmed by E. Deville, Surveyor-General, at Ottawa, on the ninth day of April, one thousand nine hundred and fourteen; thence south fourteen degrees and forty-seven minutes west a distance of one thousand and sixty-seven feet, more or less, to a standard post, pits and mound; thence north seventy-five degrees and thirteen minutes west a distance of one thousand five hundred feet, more or less, to a point, which point is north seventy-five degrees and thirteen minutes west a distance of one thousand two hundred and eighty-five feet from a witness standard post and trench; thence north fourteen degrees and forty-seven minutes east a distance of one thousand and sixty-seven feet, more or less, to a standard post, pits and mound; thence south seventy-five degrees and thirteen minutes east a distance of one thousand five hundred feet, more or less, to the point of commencement; the said parcel containing by admeasurement thirty-six acres and seventy-four hundredths (36.74 a.) of an acre, more or less; all the bearings being astronomical; all according to the plan and field-notes of the said "Black Rock" Mineral Claim signed by W. G. McElhanney, Dominion land surveyor, on the sixteenth day of June, one thousand nine hundred and twenty-six, and of record in the Department of the Interior, Ottawa, under Number Nineteen thousand six hundred and seventy-three."

Therefore, the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that the undisposed-of mines and minerals, except coal, petroleum, and natural gas, underlying the "Black Rock" Mineral Claim above described be and they are hereby vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia; such transfer not to carry with it any right to the bed of Cultus Lake or the waters thereof.

Clerk of the Privy Council.
